Class History

The Senior class of 1955 has been changed throughout its four years of high school at Milford.

In the fall of 1951 Anna Johnston, Darlene Walters, Larry Jones, and Glena Babb entered high school as green Freshmen with Mrs. Jones as our sponsor. The class was sailing along fine until Freshman initiation came. That day all of the class had to dress up like characters in the comics, but we survived the ordeal. During the year Richard Kanawyer and Robert Oldnettle joined our class.

At the beginning of our Sophomore year Barbara Heskett joined our class and later on Shiela Blevins came. Mr. Gaddis was our class sponsor. The class participated whole-heartedly in all school extra curricular activities. Toward the end of the year Shiela Blevins returned to Salina. The Sophomores gave a party for the entire school and for entertainment had a scavenger hunt.

The Junior year was a busy one for everyone in the class. Earl Dornberger came from Wakefield to join our class. The class presented its first play entitled "Nowhere Fast" directed by Ester Thacker. In April the Juniors gave a banquet in honor of the Seniors. The theme of the banquet was "Come With Me To The Mardi Gras.

Our Senior year was destined to be one of the most outstanding years of our class. Our sponsor was Mr. Jones. Richard Kanawyer left us and Darlene Walters became Mrs. Raymond Shivers. She completed her high school career by correspondence. This left us with only four active members during our Senior year. The most unforgettable day was graduation in May of 1955 when our class was destined to part and each of us to seek our future.

Last Will and Testament

We the Seniors of nineteen-hundred and fifty-five being of improved (?) and weary mind, as a result of four years of arduous search for the golden nuggets of wisdom, now in spirit of magnanimity do hereby bestow upon those who are left to mourn our loss, the following bequest:

To the Juniors, we will our Senior dignity.

To the Sophomores, we will our ability to climb to the top.

To the Freshmen, we leave our success in making good enough grades to become Seniors.

To the teachers, and the principal, we leave our many thanks for their patience and teachings which will never be forgotten by the Senior class.

To the school, we will all our respect and honor.

The smaller individual bequests are as follows:

I, Larry Jones, will to Gary Shandy my ability to make the first team in basketball.

I, Anna Johnston, will my sweet and charming personality to my little cousins Jay Christensen and Jim Head for I think they will need it in future years.

I, Earl Dornberger will my ability to keep my girl to Stanley Shivers so he can get one and keep her.

I, Barbara Heskett will my ability to get a man and hold him to V-Ona Davies.

I, Larry Jones, will to Buford Miller my study hall seat at the end of the Senior row.

I, Anna Johnston, will my gum chewing ability to Phylliss Waters, not that she needs it of course.

I, Earl Dornberger, will my American History book to my little sister, Shirley, hoping she will make better use of it than I did.

I, Barbara Heskett, will my curves to Carol Mellinger to become the third Marilyn Monroe.

I, Larry Jones will to Kenneth Breen my ability to keep slim.

I, Anna Johnston, leave my bench-warming abilities to Darlene Breen, I think she has a good start.

I, Earl Dornberger, will my motor knowledge to Henry Richards so he can make his hot rod better.

I, Barbara Heskett, will to Betty Bruce my ability to make the first team.

I, Larry Jones, will my ability to keep awake in study hall to Ron Shandy.

I, Anna Johnston, will to Beverly Puck the ability to hold her man after she catches him.

I, Earl Dornberger, will my "47" to Gabe Shandy in case his Model A quits.

I, Barbara Heskett, will to Charlie Luthi the ability to hurry up and graduate.

The chemistry class would like to will the chemistry equipment to Henry, Jerry, and Robert so they can play with it out of class instead of in Algebra.

Class Prophecy

1955

It is the year 1965 and it has been ten long years since the class of 1955 has graduated. Many things have been added to the city of Milford due to the untiring efforts and loyalty of the Seniors.

After graduation from high school and college, Larry Jones became a great actor. He has taken over Tony Curtis' place in motion picture business. He is now known as "The Latin Lover." Larry has really changed. I met him the other day and as he jumped out of his royal blue Jetmobile, all of his fans cornered him, so I did not get to interview him.

As I drove into town I happened to run into Anna Johnston who is now Mrs. Clifford Moenning. She told me she still lived in dear old Milford and has raised the population by her seven kids. Before her marriage Anna became an actress and was known as "The Second Jane Russell."

They really have some nice hotels in Milford now. The one where I am going to stay to spend my vacation is run by Earl Dornberger. He is now married to Phyliss Shivers and they are running the beautiful Conrad Hilton hotel overlooking the picturesque Republican river. The hotel is really beautiful and is about fifty stories high so now Milford has another fabulous skyscraper hotel. His wife just gave birth to quadtriplets. Earl was so excited he bought six cigars for every citizen of Milford.

We are now down to the last member of the Senior class--Barbara Heskett, who is now Mrs. Charles Luthi. Her husband is president of the Put Em Together Airplane Factory of Milford. Barbara has really gone places since graduation. She is now on tour of the middle west for the premiere of her latest picture, "The Country Girl." She has taken over Marilyn Monroe's place. She has also started a big dude ranch where the water tower used to stand. Barbara really has a time being so busy and raising her three sets of triplets.

We found it necessary to contact the mayor of the city the other day in order to secure the use of the city auditorium for our class reunion which will be held next week, and to our surprise we were greeted by Mr. Jones who has become the mayor of Milford.

We believe that all our class will attend the class reunion and all are looking forward to a fine opportunity to review the history of the last ten years.

Ode To The Seniors

The time for graduation is near,
We never thought we'd make it this year.
From M. R. H. S. our Alma Mater,
We venture to where there are many others.

Ours is the smallest class of all,
Only four answer to roll call.
And when it comes to work,
Not one of us have ever shirked.

Larry Jones is a swell guy,
He never bothers anyone.
Always has a friendly grin,
In life he will surely win.

Barbara Heskett is a jolly good girl,
There's mischief in her eyes.
She gets the boys without a sigh,
Of course, she never passes them by.

Anna Johnston is a happy go lucky gal,
Where ever she goes she is a pal.
Some new trick she's always trying,
In her Ford we see her flying.

Earl Dornberger is a special chap,
We never seem to know where he is at.
He may be in Wakefield or New Orleans,
Or dancing with the Queen of Queens.

Junior - Senior Banquet

One of the prettiest Junior-Senior banquets was held April 29, 1955, in the high school auditorium. The theme of the banquet was "Moonlight and Roses". A green carpet was spread on the floor with pink and yellow roses on and around the trellis. In the background hung a big yellow moon with stars scattered around it. "Moonlight and Roses" in large letters were placed on the curtains. The waitresses were dressed in colorful formals and the waiters in dark slacks and white shirts to fit the theme.

The invocation was read by Rev. James McKeeman. The program was as follows: "In the Evening by the Moonlight"; "Come into the Garden" by Stanley Shivers; "Advice from the Old Gardener" by Arthur Jones, principal; "Moonlight Bay" by the Junior girls; "Bed of Roses" by Carol Mellinger; "Rock Garden" by Larry Jones; "Moonlight and Roses" by Buford Miller.

The menu was as follows: Rose Drop, Star Salad, Dew Drop, Moon Beams, Rose Stems, Rose Buds, Rose Pedals a la mode, Milky Way, Moon Stone and Starflowers, and Heavenly Body.

Freshman Initiation

The green Freshmen who began school September 6th became full-fledged high school gals and lads of their initiation held the twenty-first of September.

These kids were sad looking exhibitions coming to school that morning. The girls, or what we ordinarily would have called girls, came dressed in men's shirts, jeans and hats. Their hair was in pigtails tied with ribbons and their clothes on backwards. The boys were just the opposite, posing as girls. My, we didn't know boys were so pretty dressed in buttons and bows, and with gobs of makeup on they really made a hit. During the entire day these lowly Freshmen appeared about school like this being careful not to talk back to any Seniors.

Highlighting the day was the grand initiation held in the evening. Stunts were performed by the Freshmen directed by our judge Earl Dornberger. A kangaroo court was held to punish them for misbehavior during the day.

Before going home the Seniors revealed their true feelings by treating the poor Freshmen to refreshments. Then the whole school went to the movies in Junction City.

Junior Play

Junior Play "Mama's Angel Child"

The Juniors presented the annual Junior play November 24th in the high school auditorium.

The cast was as follows:

Mrs. Charmer ..	a young widow ..	Carol Mellinger
Daphne Charmer ..	her young daughter ..	Beverly Puck
Ellen ..	an old family servant ..	Shirley Dornberger
Horace Bagley ..	a millionaire ..	Stanley Shivers
Dick Armstrong ..	his step-son ..	Buford Miller
Willoughby ..	Bagley's man-servant ..	Ronald Shandy
Miss Kreech ..	a spinster ..	Betty Bruce

The story develops out of Mrs. Charmer's desire for a rich marriage to end her financial worries. At a summer hotel she meets millionaire Horace Bagley and plans a wild scheme to win him by pretending to be much younger than she is. More comedy is added by Ellen and Miss Kreech who find Bagley's man-servant, Willoughby, very attractive.

Between acts talent was furnished by Larry Jones with a trumpet solo, "Always", between the first and second act. Girls' trio consisting of Janice Brighton, V-Ona Davies, and Phyliss Waters sang "Come to the Fair" between the second and third act. Stanley Shivers presented Mrs. Peleaux, the sponsor, with a gift from the Juniors to show their appreciation for helping them put on the play.

Sophomore Party

On November 3, the Sophomore class gave a school party for the other classes and the teachers.

The gym was gaily decorated in an autumn fashion. Seven tables had center pieces of waxed leaves and a glowing candle.

Delicious punch and cup cakes were served.

There was music for those who cared to dance and games for those who would rather play games.

Everyone had a wonderful time and we wish to thank the Sophomores and their sponsor for a delightful evening.

Kayette Slumber Party

The annual Kayette slumber party was held September 30, in the high school gym.

All of the girls were present and everyone had a good time.

Refreshments were served from midnight on through the night.

The girls went to the movies in Junction City with their sponsors Mrs. Jones and Mrs. Peleaux.

Most of the girls stayed up all night and felt very lively. But by four in the afternoon they felt like they needed some sleep.

Milford High School Carnival

On Thursday, October 28, at 7:00 P. M. the annual Milford High School carnival opened its doors to the public for an evening of fun for all.

The bingo stand was brightly decorated by valuable gifts donated by the merchants of Junction City, Wakefield, and Milford. Two skits were given in the study hall using the Gay Nineties as the theme. The dart stand went out of business early in the evening, losing all its gifts to the good aim of the dart throwers. The country store reported an exceptionally good business this year, having a steady line of customers most of the evening. The jail had its usual good business. Even the sheriff was put in jail for disobeying the law. The three jailers worked very hard at their job and brought in as much business as the other concessions.

The Wagon Wheel Cafe set up business in the music room for the evening with plenty of pop, cake, candy, pie, coffee, and ice cream.

Mr. Albert Puck won the beautiful heart-shaped cake made and donated by Arfie and Eva Condray.

The door prize, which was a wool blanket donated by the Townsends store, was won by Mrs. Otto Strauss.

Several of the younger children came masked to try to win the grand prize. Bonnie Rudolph was the lucky winner. All who were masked were given treats for their efforts.

BACK ROW: Phyliss Waters, V-Ona Davis, Glenna Babb, Shirley Dornberger, Mrs. Jones, sponsor, Anna Johnston, Betty Bruce, Joan Shandy, Darlene Breen.
FRONT ROW: Janice Brighton, Carol Mellinger, Beverly Puck, Barbara Heskett.

Kayettes

Milford high school has had one-hundred per-cent membership in the Kayettes. The officers were president, Carol Mellinger; vice-president, Beverly Puck; secretary-treasurer, Barbara Heskett; and reporter, Janice Brighton. Mrs. Goldie Jones is the sponsor.

The Kayettes are proud to have received their 5000 point award. This year we are working toward our 6000 point award. In order to receive these awards we have to do certain activities in school, church, community and world service.

Two girls attended Kayette camp at Rock Springs last summer. They were Beverly Puck and Carol Mellinger. Both of these girls learned a lot and really enjoyed themselves. The camp was from August 19th to the 23rd. The Kayettes are sending two girls this summer.

To get acquainted with the new Kayettes, we had a slumber party again this year. We had it September 30th. Everyone really enjoyed herself (even the teachers.) We went to a show in Junction City and then returned home for an active evening. There were treats to eat all night. About five girls stayed up all night. The teachers tried to get a little shut-eye but they were having the best time trying to find their beds. At six o'clock the next morning a delicious breakfast was served. That day school was quite active.

Beverly Puck, Barbara Heskett and Mrs. Jones attended a Kayette conference at Hiawatha October 11 and 12. They attended many group discussions, and general sessions.

One of the projects for Christmas this year was to fill boxes with candy and give them to the bachelors. We had fun doing it and everyone of the men seemed to enjoy our cooking.

The Kayettes went Christmas caroling again this year. They sold mistletoe and candles to the people to whom they sang.

The Kayettes decided they would help the cooks at the grade school to make their dinner a success at Thanksgiving so they decorated the tables with different Thanksgiving emblems and it made the tables look very pretty.

All the Kayettes attended a conference at Enterprise. It was the afternoon of January 12. It was a very nice program, Miss Vinson, a wonderful worker among Kayettes, gave a wonderful talk on girls and boys our age.

This year the Kayettes have received several letters from a woman from Greece to whom we sent money last year. It has been very interesting to get her letters. It is surprising how much help it is to them if we give just a small amount of money. Again this year we sent \$5.00 to C. A. R. E. This money was distributed among ten foreign people.

We found out that we could provide meals for underfed people by giving money and they could get these meals for only three cents a meal. All the Kayettes decided it was worth giving up a candy bar once in a while so we collected \$1.64.

Rams End Home Basketball Season With Upset Victory Over Milford High Team

The St. Xavier's Rams worked an upset over the Milford high school basketball team to end their home season with a 56 to 52 victory before a packed house.

The loss was Milford's third in 17 games played. It was the Rams' third win in ten games played. One of the factors in the Rams' win was that not one of their nine man "A" squad fouled out. Last night's game was the first in which all Ram varsity players went all the way.

In the fatal frame, the Panthers missed four of eleven charity tosses, while the Rams netted eleven out of thirteen to take the victory by the four point margin.

Larry Jones, with 15 points, was top pointmaker for the Panthers, followed by Jim Head who scored 12 points.

The "B" team did their share to make it a clean sweep over Milford, taking the preliminary game, 30 to 22. Larry Langvardt was high man for both second string squads with 13 points. Ron Shandy was high for the Milford "B"s with 10.

The St. Xavier's "B" squad has the exact opposite record of the "A" squad. The "A" five has won and lost seven, while the "B"s have won seven and lost three. Larry Langvardt is leading the "B" team scoring with 9.4 points per game average.

"It's not every day that you witness such sportsmanship," Panther Coach Doganieri remarked after the game.

The Panthers meet Keats, for their next game, at Milford, Friday night.
